USER LIST

The screenshot shows the 'Users List' page in the Parking Management System Admin interface. The page has a green sidebar with navigation links: Dashboard, Users (Users List, Tambah User), Transaksi (Input Kode Booking, Riwayat Transaksi), Pengumuman, and Panduan Pengguna. The main content area displays a table of users with columns: No., NIM, Nama Mahasiswa, E-Mail, Nomor Kartu, Saldo, Role, and Action. The table lists five users, including an Admin Root user and four regular users (Keuangan, Operator, and two Mahasiswa). The last row is highlighted in grey, and a 'Hapus' button is visible below it. The browser address bar shows the URL: 52.14.196.50/ParkingManagementSystem/admin/read.

No.	NIM	Nama Mahasiswa	E-Mail	Nomor Kartu	Saldo	Role	Action

Sama seperti keuangan, admin juga dapat melihat siapa saja daftar mahasiswa yang sudah membuat kartu, berapa nomor kartunya, dan juga saldo si user tersebut. Tetapi bedanya admin dapat mengedit akun dan juga dapat menghapus akun pengguna
